To:	Planholders, <b>Reservoir Improvements Project</b>
From:	Dean Marsh, Project Engineer
Subject:	<b>Addendum #1</b>
Date:	December 3, 2021

## 1. PUBLIC WORKS BID AND CONTRACT DOCUMENTS

Section 5.52.1.4 Builders Risk- the Builders Risk insurance requirement has been removed for this project.

## 2. GENERAL INFORMATION

Material Disposal- It has been brought to the District's attention that a local option for disposal of excavated pond sediment may be available through Triton Construction Services (530) 637-8125. No guarantees are made by the District as to the feasibility of said disposal location and the Contractor shall be responsible for all coordination efforts and any costs or liability associated with sediment disposal.
